Career Summary

I'm a native of Palm Beach County and have been a licensed Mortgage Broker since September 1983 (note: the FL Office of Financial Regulation changed databases few years ago and the oldest date by default is shown as 7/10/92 and have not added a disclaimer regarding this). Previously I was in commercial banking several years. I hold the NAMB (National Association of Mortgage Brokers) Lending Integrity Seal of Approval ... the 17th mortgage broker in Florida to earn and the 2nd in Palm Beach County. I'm currently preparing for the exam for the CMC (Certified Mortgage Consultant) designation, the most advanced offered by NAMB.

Current Position

Broker Owner, President, etc. of *Cromer Mortgage Services, Inc. / My Mortgage Guy*, a mortgage brokerage business that I incorporated 7/23/08. I market, originate and process my own loan files, coordinate underwriting and closing with a wholesale lender, then attend closing with my client. I utilize all of the latest technologies to work as "green" as possible. I maintain lender relationships, compliance matters, and market the business.
